Free Organ

An organ is being made available to anyone who can give it a new home. [CLICK HERE](#) to see photos of this organ which was a gift to Para Pouridis from her parents about 50 years ago. It is still in excellent condition and could be useful in a small church or for a choir room. The organ is in California but the cost of moving would be free as well. For more info, contact Para at pouridis5@embarqmail.com or 702-845-1933.
